SENATOR WEHRBEIN: ...to make it self-supporting or set up in a trust or.... The financing is not automatically or even, at this point, considered to be General Fund...

SENATOR WICKERSHAM: No.

SENATOR WEHRBEIN: ...unless we analyze it very carefully.

SENATOR WICKERSHAM: That's...

SENATOR WEHRBEIN: And under that understanding, I...

SENATOR WICKERSHAM: No.

SENATOR WEHRBEIN: ...I wanted to make that more clear than I think was done yesterday, so...

SENATOR WICKERSHAM: Oh, okay. No, Senator,...

SENATOR WEHRBEIN: ...thank you.

SENATOR WICKERSHAM: ...I...that's absolutely the way I want to approach the issue. That's...

SENATOR WEHRBEIN: Okay.

SENATOR WICKERSHAM: ...that's the appropriate way, in my view. That's the reason the A bill is structured the way it is. If you recall, there was a fiscal note for \$300,000. It was going to take the other approach. That approach was just that we're going to do this.

SENATOR WEHRBEIN: Um-hum.

SENATOR WICKERSHAM: Well, I'm not ready...

SENATOR WEHRBEIN: I easily recall the \$300,000 rate. (Laugh)

SENATOR WICKERSHAM: Yeah, I thought you would. Okay. But I talked with the Fiscal Analyst. I said, no, now look it, we don't even know what we'd be getting into.
